Knowledge Organiser

A ***career pathway*** is a series of stages in someone's career leading to other positions.

Attributes are qualities, properties or features which people or objects possess e.g. hard-working, caring.

Things that are necessary or needed are seen as ***essential.*** Those that are wanted but not needed are ***desirable.***

To help people in work, ***mentoring*** takes place. This is where someone with experience helps someone with less.

Being ***professional*** is an important behaviour for employers. It means acting with integrity, respect and honesty.

Job satisfaction is a measure of how much someone enjoys or feels content with their job.
