Stand In Your Love

When darkness tries to roll over my bones
When sorrow comes to steal the joy I own
When brokenness and pain is all I know
I won't be shaken, I won't be shaken

My fear doesn't stand a chance
When I stand in Your love

My fear doesn't stand a chance
When I stand in Your love

My fear doesn't stand a chance
When I stand in Your love

Shame no longer has a place to hide
I am not a captive to the lies
I'm not afraid to leave my past behind
I won't be shaken, I won't be shaken

My fear doesn't stand a chance
When I stand in Your love

There's power that can break off every chain
There's power that can empty out a grave
There's resurrection power that can save
There's power in Your name, power in Your name

There's power that can break off every chain
There's power that can empty out a grave

There's resurrection power that can save
There's power in Your name, power in Your name

My fear doesn't stand a chance
When I stand in Your love

Jesus We Love You

Old things have passed away, your love has stayed the same
Your constant grace remains the cornerstone
Things that we thought were dead are breathing in life again
You cause your Son to shine on darkest nights

For all that You've done we will pour out our love
This will be our anthem song

Jesus we love You, oh how we love You
You are the one our, our hearts adore

The hopeless have found their hope, the orphans now have a home
All that was lost has found its place in You
You lift our weary head, you make us strong instead
You took these rags and made us beautiful

For all that You've done we will pour out our love
This will be our anthem song

Jesus we love You, oh how we love You
You are the one our, our hearts adore

Our hearts adore, our hearts adore
Our hearts adore

Our affection our devotion
Poured out on the feet of Jesus

Jesus we love You, oh how we love You
You are the one our, our hearts adore

Ever Be

Your love is devoted like a ring of solid gold
Like a vow that is tested like a covenant of old
Your love is enduring through the winter rain
And beyond the horizon with mercy for today

Faithful You have been and faithful You will be
You pledge Yourself to me and it's why I sing

Your praise will
Ever be on my lips, Ever be on my lips

You Father the orphan
Your kindness makes us whole
You shoulder our weakness
And Your strength becomes our own
You're making me like You
Clothing me in white
Bringing beauty from ashes
For You will have Your bride
Free of all her guilt and rid of all her shame
And known by her true name and it's why I sing

Your praise will
Ever be on my lips, Ever be on my lips

You will be praised
You will be praised
With angels and saints
we sing worthy are You Lord

And it's why I sing
Your praise will
Ever be on my lips, Ever be on my lips
