Karnataka Becomes First State To Amend Industries (Facilitation) Act For Small, Medium & Large-Scale Industries

- The **Karnataka government** amended the long pending industrial reform “**The Karnataka Industries (Facilitation) Act, 2002**” to facilitate and attract investment in the state. The decision was taken by the state Cabinet meeting chaired by Hon’ble Chief Minister of Karnataka BS Yediyurappa.
- Currently, only **Gujarat** and **Rajasthan** are the two states in the country that have amended this Act for **small scale industries** only. In Karnataka, the amended act includes **small, medium and large scale industries**.
- Under the amended Act, an industry would not need any statutory permissions for the **first three years**, or whichever is earlier to set up operations in the state. These permissions include approvals from under multiple state laws, including trade licence and building-plan approval, measures that would save lot of time and cost for industries.
- The objective of the amended Act is to simplify regulations and reduce procedural requirements and create a conducive investment environment.
- In the midst of this sobering business environment, the Karnataka State Cabinet cleared the (Facilitation) Act, 2002. This Act has been a long pending demand by the investors and will usher in investments to the state in coming days.

- In the past, numerous procedures and clearances have resulted in delay of setting up industries and escalated the project cost for the investors, thus resulting in a huge economic toll and delayed investment to the state. Keeping that in mind, the newly amended Act shall ensure the investors are insulated by the delays.
- In order to kick-start the economic activity post-covid-19, the Karnataka government in the last few weeks has stressed on Ease of Doing Business, with a single window for investors, simplified processes, regular consultation with Industry, stable policy-driven. The state has also simplified land and labour laws to promote Karnataka as an investment destination.

Liverpool crowned Premier League champions for first time after Chelsea win

- Thirty years of hurt came to an end for **Liverpool** when they were confirmed as **Premier League champions** courtesy of second-placed Manchester City's 2-1 defeat by Chelsea.
- The result at **Stamford Bridge** means Liverpool have an unassailable 23-point lead over City with seven games left.
- Liverpool were last champions of England when they won the old First Division title in 1989-90 after which a decline in fortunes saw Manchester United and Arsenal, then Chelsea and Manchester City seize power.
- Inspirational manager Juergen Klopp has rekindled the Anfield flame though and delivered the club's 19th top-flight title, one behind arch-rivals United's record of 20, after finishing runners-up to City in a thrilling race last season. As the Chelsea game moved into stoppage time at an empty stadium in London, 350km away outside Anfield Liverpool fans began lighting red flares as the celebrations began in earnest.
- Liverpool finished last season with nine straight league wins and, after claiming the Champions League by beating Tottenham Hotspur in Madrid, began the new campaign in relentless fashion to leave rivals trailing in their wake.
- With 28 wins and one defeat in 31 games, Liverpool have set a record-breaking pace and were 25 points clear in February — the biggest lead in Premier League history.
