### **CURRENT AFFAIRS: DAYS**

#### **Army Aviation Corps Day**

- The **Army Aviation Corps (AAC)**, the youngest Corps of the Indian Army, celebrated its **35th Corps Day** on **November 1**.
- The Corps was raised as a separate **formation on November 1 in 1986**.

#### **National Stress Awareness Day**

- **National Stress Awareness Day**, marked on the **first Wednesday in November**, aims to identify and reduce stress factors in our lives.
- This year it falls on 4<sup>th</sup> of November.
- Stress Awareness Day was established by the **International Stress Management Association (ISMA)** to help provide information on stress, and strategies on how to address it for both companies and individuals.

#### **International Stress Awareness Week**

- As **International Stress Awareness Week** takes place on **first week of November (2 – 6 November 2020)**, and the UK continues to face further pro-longed COVID-19-related restrictions, it has never been more important to support the wellbeing of employees who are working from home.
- **International Stress Awareness Week** was created in 2018 to raise awareness about stress prevention, following the establishment of Stress Awareness Day in 1998.

### **CURRENT AFFAIRS: NATIONAL**

#### **Hardeep Singh Puri launches ‘Nurturing Neighbourhoods Challenge’**

- Housing and Urban Affairs Minister **Hardeep Singh Puri** launched **Nurturing Neighbourhoods Challenge** focusing on shaping cities for young children and their families. The challenge is conducted with the support of the **Bernard van Leer Foundation, Netherlands** with technical support from **WRI India**.
- Through the challenge, selected cities will receive technical assistance and capacity-building to reimagine parks and open spaces, improve access to early childhood facilities, adapt public spaces with early childhood-oriented amenities and create accessible, safe, walkable streets for young children and families. The challenge will be open to all Smart Cities, other cities with more than five lakh population, and capitals of States and Union Territories.

#### About MoHUA:

- Minister of Housing and Urban Affairs and Civil Aviation: Hardeep Singh Puri
- Constituency: Amristar

### President Kovind promulgates Arbitration and Conciliation (Amendment) Ordinance, 2020

- President **Ram Nath Kovind** promulgated **the Arbitration and Conciliation (Amendment) Ordinance, 2020** to further amend **Arbitration and Conciliation Act 1996**. The Ordinance aims to ensure that all the stakeholders get an opportunity to seek unconditional stay of enforcement of arbitral awards where the underlying arbitration agreement or contract or making of the arbitral award are induced by fraud or corruption.
- Through the Ordinance, an addition has been made to **Section 36** whereby if the Court is satisfied that a prima facie case is made out that the arbitration agreement or contract which is the basis of the award was induced or effected by fraud or corruption, it will stay the award unconditionally pending disposal of the challenge made to the award under **Section 34**.

### 79% of Indians would adopt a 'robot nanny' to help care for children while WFH: Survey

- **IEEE**, a global technical professional organisation for advancing technology, unveiled its survey report titled **'Generation AI 2020: Health, Wellness, and Technology in a Post-COVID World.'**

- According to the survey, **over 79 per cent** of parents surveyed in India agreed that if they had the means, they would adopt a robot “**nanny**” to help take care of their children while working remotely from home, running errands or when otherwise occupied.
- The survey also found that **81 per cent** of surveyed parents in India agree that having a **robot nanny** to help their children do their homework would alleviate a significant amount of their Covid-19-related stress.
- While **76 per cent** of parents also agreed that they would trust a full-time nanny robot to help take care of their children even if they are not home.
- **Over two-thirds** parents in India (**64 per cent**) agreed they would be comfortable using a robot nanny to take care of their infant or toddler child (**under two-years-old**).

## I&B Ministry sets up committee to review norms on TV ratings

- The **Ministry of Information & Broadcasting**, decided to set up a **committee** to review its existing guidelines for **Television Rating agencies** and look into various evolving dynamics concerning the television rating system.
- “The committee shall carry out an appraisal of the existing system, examine TRAI recommendations notified from time to time, overall industry scenario and addressing the needs of the stakeholders, and make recommendations for a robust, transparent and accountable rating system through changes,” the Ministry stated.
- **Prasar Bharti CEO Shashi S Vempati** has been appointed as **the Chairman** of the committee. Other members include IIT Kanpur’s **Dr Shalabh; DrRajkumar Upadhyay, ED, C-DOT**; and **Pulak Ghosh** of the Centre for Public Policy . The committee has been asked to submit its report to the I&B Ministry within two months.
- The government’s decision to appoint a committee to review the TRP system in the country comes at a time when allegations of TRP manipulation have emerged, putting the spotlight on the accuracy and credibility of the existing TRP measurement systems.
- In its order, the I&B Ministry stated that the present guidelines on Television Rating Agencies in India were notified after detailed deliberations by the Parliamentary Committee, Committee on Television Rating Points (TRP) constituted by the MIB, and recommendations of Telecom Regulatory Authority of India.
- The committee will also study the past recommendations made by various forums on TRPs, and also study recent recommendations of TRAI on this issue. It has also been tasked to recommend steps to enhance competition in the sector.

### About Ministry of Information and Broadcasting of India:

- Prakash Javadekar, Minister of Information and Broadcasting
- Constituency: Maharashtra
- Amit Khare, IAS, Information and Broadcasting Secretary

- **India** and the **GCC Troika** held their annual Political Dialogue in virtual mode. External Affairs Minister **Dr. S. Jaishankar** led the Indian delegation.
- The GCC was represented at the Troika-level by Dr. Nayef Falah M. Al-Hajraf, Secretary General of GCC, Dr. Abdullatif bin Rashid Al Zayani, Minister of Foreign Affairs, Bahrain and Dr. Anwar bin Mohammed Gargash, Minister of State for Foreign Affairs, UAE.
- Senior representatives from Saudi Arabia, Kuwait and Qatar also participated in the meeting. The leaders undertook detailed review of India-GCC ties and appreciated the upward trajectory in ties witnessed in the last few years.
- India had also taken special care to ensure the return of Indian health professionals to GCC countries and for supply of medicines and other essential items during the pandemic.
- The GCC welcomed India's inclusion in **the UNSC** as a **non-permanent member** from **January 2021**.
- Both sides affirmed their commitment to reform multilateral institutions to reflect the realities of the 21st century and to work together to address contemporary challenges such as the Covid-19 pandemic, climate change, sustainable development and terrorism.

#### **About Gulf Cooperation Council:**

- The Cooperation Council for the Arab States of the Gulf, originally known as the Gulf Cooperation Council, is a regional intergovernmental political and economic union consisting of all Arab states of the Persian Gulf - Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and the United Arab Emirates - except Iraq.
- Headquarters: Riyadh, Saudi Arabia

#### **UNGA adopts two India sponsored resolutions on Nuclear disarmament**

- The first committee of the **United Nations General Assembly** has adopted **two India-sponsored resolutions** on **nuclear disarmament** which aim to reduce risk of nuclear accidents and call for a prohibition on the use of nuclear weapons.
- The UNGA first committee deals with the issue of disarmament and works in close cooperation with the United Nations Disarmament Commission and the **Geneva-based Conference on Disarmament**, the other two bodies to deal with the nuclear issue.
- The two resolutions adopted include Convention on the Prohibition of the Use of Nuclear Weapons and Reducing Nuclear Danger under the Nuclear weapons cluster. The adoption of resolutions shows India's commitment towards the goal of nuclear disarmament.
- The resolution on Convention on **the Prohibition of the Use of Nuclear Weapons** was backed by a majority of UN Members and was tabled by India since 1982.

- The aim is that a universal and legally binding agreement would generate the necessary global political will that can lead to the total elimination of nuclear weapons.

### About United Nations General Assembly:

- The United Nations General Assembly is one of the six principal organs of the United Nations, serving as the main deliberative, policy-making, and representative organ of the UN. Its powers, composition, functions, and procedures are set out in Chapter IV of the United Nations Charter.
- President: Volkan Bozkır
- Headquarters: New York, United States

## CURRENT AFFAIRS: AWARDS AND HONOURS

### 6 women led startups win COVID-19 Shri Shakti Challenge organized by MyGov in Collaboration with UN Women

- **Six women** led startups have won **COVID-19 Shri Shakti Challenge** organized by **MyGov** in collaboration with **UN Women**. With an objective to encourage and involve women led startups to come up with innovative solutions that can help in the fight against COVID19 or solve problems that impact a large number of women, MyGov in collaboration with UN Women, launched the COVID-19 Shri Shakti Challenge in April 2020.
- This was a unique challenge hosted on the Innovate platform of MyGov that called for applications from women led startups as well as startups who have solutions that address issues faced by a larger number of women.
- The Challenge was implemented in two stages: Ideation stage and Proof of Concept (PoC) Stage. The challenge received an overwhelming response with a total of 1265 entries, from across the nation.
- In addition to the earlier announced reward of Rs 5 lakhs for the top 3 winners, UN Women was generous enough to agree to reward Rs 2 lakhs each to the 3 startups chosen for their promising solutions.

#### Top 3 winners are as follows:

- **Dr P Gayatri Hela** is the founder of Bengaluru-based Resada Lifesciences Private Limited that designs and develops home and agricultural-based products using plant extracts instead of synthetic chemicals.
- **Romita Ghosh**, a cancer survivor, is the founder of Shimla-based iHeal HealthTech Private Limited which is a healthcare start-up that has been at the forefront of the fight against COVID and has been providing PPE kits to hospitals.
- **Dr Anjana Ramkumar** and **Dr Anushka Ashokan** are the product manager and co-founder of Kerala based Thanmatra Innovations Private Limited have come up with the innovative solution of an anti-microbial solution that could be sprayed into handkerchiefs or dupattas for making them safe to be used as Face Masks.

### Stanford University study names five from LVPEI among top 2% scientists of the world

- **L V Prasad Eye Institute (LVPEI)** has had **five** of its eminent senior scientists listed among **the top Indian researchers** in a database of 100,000 scientists worldwide.
- This database of top-cited scientists has been created by a team of scientists at **Stanford University, USA**, and is published in the journal PLOS Biology. It includes all scientists who are among top 100,000 across all fields and/or **top 2 per cent of their discipline**, based on the number of citations. The data was collected from the Scopus database for 6.8 million prolific authors out of which the top 100,000 were analysed.
- From L V Prasad Eye Institute, **Gullapalli N Rao**, Founder-Chair, **D Balasubramanian**, Distinguished Scientist and Director Emeritus, Brien Holden Eye Research Centre, **Savitri Sharma**, Director, Laboratory Services, **Jill Keefe**, Visiting Professor, have featured in the database of top 2 per cent of scientists under the discipline of ‘Ophthalmology’, while S Shivaji, Distinguished Scientist and Former Director, Brien Holden Eye Research Centre, has featured in this list in the ‘Microbiology’ category.
- Gullapalli N Rao has been ranked as the top scientist in Eye Research from India. The L V Prasad Eye Institute (LVPEI) was established in 1987 at Hyderabad as a not-for-profit, non-government, public-spirited, comprehensive eye care institution.

## CURRENT AFFAIRS: BOOKS AND AUTHORS

### Age Of Pandemics (1817-1920): How they shaped India and the World

- **Chinmay Tumbe’s** Book titled “**Age Of Pandemics (1817-1920): How they shaped India and the World**” published by **Harper Collins**.
- The book argues that the period between the early nineteenth century to the early twentieth century – an age otherwise known for the worldwide spread of the industrial revolution, imperialism and globalization – was also the ‘age of pandemics’.
- The book also provides the first comprehensive coverage of the world’s greatest demographic disaster ever to descend upon a country in a short period of time – the influenza pandemic in India in 1918, which claimed more lives than all the battle casualties of World War I. And it shows the continuing relevance of learning from those times to tackle contemporary challenges, such as COVID-19.
- His first book, **India Moving: A History of Migration**, was published in 2018.

## CURRENT AFFAIRS: DEFENCE

### Advanced version of Pinaka Rocket System successfully test-fired; 6 rockets launched

- **Pinaka missile** was successfully flight testfired from Integrated Test Range at **Chandipur off the coast of Odisha**. The indigenous Pinaka missile has been developed by **Defence Research and Development Organisation (DRDO)**.
- A total of **6 rockets were launched** in quick succession and the tests met complete mission objectives.
- An enhanced version of Pinaka rocket **would replace the existing Pinaka Mk-I rockets** which are currently under production.
- Pinaka MBRS comprises of a free-flight artillery rocket having a maximum range of 38 km with different types of warhead and fuses, a multi-tube launcher vehicle, a replenishment-cum-loader vehicle, a replenishment vehicle and a command post vehicle. There are two pods containing 6 rockets each, capable of firing in salvo mode within 48 seconds.
- In light of the requirement of the Army for a free flight rocket with enhanced range, ARDE has successfully developed **Pinaka Mk-II rocket** with 60 km range.
- The design and development has been carried out by **Pune based DRDO laboratories**, namely Armament Research and Development Establishment, ARDE and High Energy Materials Research Laboratory, HEMRL.
- **Rockets tested** have been manufactured by **M/s Economic Explosives Limited, Nagpur**, to whom the technology has been transferred.
- All the flight articles were tracked by Range instruments such as telemetry, radar and Electro Optical Tracking Systems which confirmed the flight performance.

## Bangladesh, US launch joint naval exercise 'CARAT Bangladesh 2020'

- The **Bangladesh and US Navies** launched the '**Cooperation Afloat Readiness and Training (CARAT) Bangladesh-2020**' to expand relationships and broaden maritime awareness between the two countries.
- The exercise demonstrates US's continuing commitment to work with the Bangladesh military to address shared maritime security concerns in the region and strengthen partnership to ensure a free and open Indo-Pacific region.
- Historically, the CARAT exercises involve people to people interactions and a variety of professional exchanges. These will take place online this year due to the COVID-19 pandemic.
- The sea-phase of the exercise will take place in the Bay of Bengal with ships from both countries. The events are designed to enhance interoperability between the two navies.
- US and Bangladesh will work through coordinated deployment of surface ships, to include tactical maneuvers among other activities.

## CURRENT AFFAIRS: SPORTS

### West Indies all-rounder Marlon Samuels announces retirement from all forms of cricket

- **West Indies all-rounder Marlon Samuels has announced his retirement from all forms of professional cricket.**
- He last played **international cricket** for the West Indies in December **2018** against Bangladesh.
- Marlon Samuels is much celebrated for his match-winning performances in the **two ICC World T20 finals** that the West Indians won.
- Marlon Samuels was honored as one of the **Wisden Cricketers of the year in 2013**. The West Indies Cricket Board also named him the **ODI Player of the Year** and the **Cricketer of the Year in 2016**.
- The right-handed batsman broke the record for the highest-ever ODI partnership, when he combined with Chris Gayle to put up 372 runs for the second wicket against Zimbabwe in the 2015 World Cup.
- Marlon Samuels is also the only player in the history of the game to have won Player of the Match awards in the finals of two global competitions.
- He was **handed a two-year ban in 2008** by ICC following an alleged involvement in transferring information to a bookie. This happened during the West Indies tour of India in 2008.
- The same then happened **again during the 2012 IPL** after which he could not bowl for the rest of the season. The first Test between West Indies and Sri Lanka at Galle in 2015 witnessed the third episode of Samuels getting reported for his bowling action.

## CURRENT AFFAIRS: OBITUARY

### Actor Faraaz Khan passes away
