Introduction

upGrad was founded in early 2015 with the aim of providing formal education online. In a short span of around 5 years, upGrad on-boarded over 20,000 paid learners and impacted more than 3,63,000 individuals globally, making it India's largest online higher education company, basis gross revenue generated from the Indian market. We provide programs in the areas of Data Science, Technology, Management and MBA to college students, working professionals and enterprises. These programs are designed and delivered in collaboration with top-notch universities like IIT Madras, IIIT-B, BITS Pilani, MICA, NMIMS Global Access, Duke CE, Liverpool John Moores University and others. To further enhance the learning experience, a comprehensive ecosystem has been built which includes one-on-one mentoring, peer-to-peer learning, industry networking and most importantly expert career guidance, in order to provide learners a holistic support to elevate their careers to the next level.
